General Membership Meeting Minutes

Meeting Date: June 5, 2009

Michelle Vondenkamp - PTC President called the meeting to order at 10:02am. Michelle distributed a packet with the agenda, minutes of the last PTC meeting, and treasurer's report. There was no reading of the minutes. If any corrections are needed please report them to Debbie.

President's Report

Michelle reported that most positions are filled for next school year. We are still looking for an editor for the Tuesday Newsday.

1st VP Report

Angela reported on the following:

- *School Carnival – The carnival went very well! The new larger popcorn machine helped to serve more customers. Stephanie has agreed to chair the carnival again next year.
- *School Supply Kits – Have been ordered and will be delivered in August.

2nd VP Report

Karyn reported on the following:

- *Book Drive – The book drive has ended with 2963 books collected! BSD homeless project is thrilled to be receiving so many books. They will be picking up the books some time next week.
- *Health and Fitness – “Triathlon U” was held May 26th. The event itself was quiet, but was greatly enjoyed by those who attended. This fun event will be offered again next year with more advertising

3rd VP Report

This position is currently open. Atul continues to send emails to our parents.

Treasurers report

Kathy asked that all expense reports be turned in by the end of the school year. She also asked that if you have an expense check, please cash it.

General Membership Meeting Minutes

Volunteer Coordinators report

Tamra Reported that for the month of May volunteers logged in 1122 hours! We are currently at 7800 total hours for the year. This is slightly down from past years, most likely due to our snow week in December.

Principals' Report

Don has decided to staff and assign children to classrooms based on this years staffing. Even with the hectic budget situation, he feels confident staffing will continue to be the same for next school year.

Don is sending home a questionnaire with the students asking families for feedback on the many activities offered here at Sexton Mountain.

The first day of school next fall in Tuesday, September 8th. The ice cream social is scheduled for September 3rd from 4 – 6 pm. This has received wonderful feedback from parents, children and staff.

Old Business

At our last meeting we voted to disperse the remainder of our educational enrichment funds to the school. These funds were used to purchase new light bulbs for the document cameras. And not a minute too late, the last spare light bulb has just been used.

New Business

a.) Election of Officers – Treasurer

Heather nominated Susie Wilson for the position of Treasurer, Karyn 2nd this motion. All approved this motion.

b.) Vote on proposed budget

Michelle went over the 2009-2010 proposed budget in great detail. Heather proposed to approve the budget as proposed, Yolanda 2nd this motion. All were in favor.
