

Sexton Mountain Parent Teacher Club

General Membership Meeting Minutes

Meeting Date: November 3, 2009

Michelle Vondenkamp -PTC President called the meeting to order at 6:30pm. There were no reading of the minutes. If corrections are needed please report them to Debbie.

President's Report

Michelle gave an update on the sound system. The process is proceeding well and is on track to be installed by the end of December. If there are further questions please contact Mr. Martin, or Jim Vondenkamp, parent coordinator.

Treasurer's Report

September's financial summary is complete; Michelle went over a few key highlights. To date the jog-a-thon and entertainment books have earned \$17,000, our goal was to raise \$21,000. One last reminder will be sent home with students this week. If necessary we will hold another fundraiser in the spring. We will discuss that option in the spring. Our taxes have been filled and we have registered as required with the state.

1st VP Report

Please see the above notes regarding the jog-a-thon and entertainment books. The next partners in education event is scheduled for December 15th at Pizzicato. Information will be sent home with students as the date gets closer.

2nd VP Report

Karyn reported on the following activities. The harvest parties went well. Thank you to Stacie and Maria for organizing this for the students. The 2nd annual family dance is set for Friday, November 13th. Marina and Judith are coordinating this fun event. The theme this year is Mardi Gras, dancing will be take place in the gym and Wii games in the hallway. Refreshments will be provided as well. Both the art fair and science fair are still in need of chairs. Stacie will put a pop-up on the volunteer computer.

3rd VP Report

Michelle informed us the PTC website will be unavailable from November 6-13th for maintenance.

Volunteer Coordinators report

Stacie reported back on our new volunteer computer program. The program is fabulous and has saved her lots of time by being able to access volunteer information from her home computer.
