Going Green

We are excited to announce that Sexton Mountain was just certified an Oregon Green School. We are doing many things at Sexton Mountain to reduce waste and use resources more efficiently, and we want to increase awareness and build on our program. We currently have a committee of teachers working on this project and are putting together a parent eco group. In order for our program to be successful we need your help. If "going green" is something you are interested in, our parent group will provide a way to share your ideas and various ways to participate in and support our school's program. To join our parent eco group, please email Kristin Hiatt at Kristin.Hiatt@beavton.k12.or.us.

For every one person who stands up for something they believe in there are another 50 people who agree but remain sitting.

Needed: Website Coordinator

We need someone to maintain the PTC website for next year. No coding skills necessary and you don't need to be a technical whiz. If you can receive/send emails, create a facebook page, and store/locate a file using Windows Explorer, you can do this!! It takes, on average, about 1-2 hours a month and the great part is that it can be done at home, any time of day! If interested, please contact Michelle Vondenkamp at jgvondo@comcast.net

Every Tuesday and Thursday at 8:30am, Sexton Mountain parents are invited to workout in the cafeteria to a variety of "Biggest Loser" DVDs that will be shown on the big screen. All you need is a workout mat, hand weights and a little motivation! The Biggest Loser DVDs will be in a weekly rotation, with the **APRIL** schedule as follows:

4/1 P90X Kenpo (Kickboxing)	4/6 NO WORKOUT (school assembly)	4/8 Cardio Max
4/13 & 15 Bootcamp	4/20 & 22 Last Chance Workout	4/27 & 29 Power Sculpt

Full-Day Kindergarten Offered

Sexton Mountain will offer the option of a tuition-paid, full-day kindergarten program for the 2010-2011 school year.

When registering your incoming kindergartener, parents now have the option of continuing the established State paid, half-day program or pay tuition of \$3,150 per year, in payments of \$350 per month from September through May, to have their child in a full day kindergarten program. The school must have a minimum of 17 applicants in order to offer a full-day class.

If you have an incoming kindergartner and are interested in applying for the tuition-paid kindergarten option for the 2010 – 2011 school year or you want more information, please contact the office at 503-672-3560.

Children must be fully registered for kindergarten (enrollment form, proof of age, proof of residency and immunization record submitted) before the application for the full-day, tuition-paid program will be accepted. Applications are currently available and must be returned to Margaret Zwetschke before 4:00 PM on April 15th. There are a limited number of spaces for this program; therefore students will be selected via lottery.
