## ***Lego Robotics Team for 2010/11 Season***

Sexton Mountain is looking to again have a Lego Robotics team for the 2010/2011 season. This team will be open to students entering 3<sup>rd</sup>-6<sup>th</sup> grade in the Fall. The team will have weekly meetings running September through December with days and times determined by team member availability. Since we are limited in team size to ten we cannot take everyone and will have one or more events this summer to evaluate students based on their Lego and teamwork skills. Parents with interested students should email their contact information to Bill Wolfe II at [bwolfe90@gmail.com](mailto:bwolfe90@gmail.com).

## **KATOH STUDENT HOST FAMILIES NEEDED**

Sexton Mountain has been asked to host visiting students from Japan again next school year. This week long visit with students from the Katoh School has been an annual event at our school for a many years.

The plan for the 2010 – 2011 school year is that seven Sexton Mountain 5<sup>th</sup> grade families will host the visiting students. We are scheduled to host 2 boys and 5 girls. The students will arrive around the 23<sup>rd</sup> of October (we'll have a firm date for arrival in a few weeks). The Katoh students would then attend Sexton Mountain with the 5<sup>th</sup> grade student of the host family the following week returning to Japan when the week is done.

We currently have three families that have volunteered and still need host families for one boy and 3 girls. If you have a student that will be a 5<sup>th</sup> grader next fall and you are interested in hosting a Katoh student or have any questions about the program, please contact Margaret Zwetschke in the office (503-672-3560).

## Thank You Sexton Mountain Carnival Volunteers!!

Hats off to a fantastic community effort! The best weather we've had in weeks, a stellar turnout, and the hard work of 140+ parent and HS volunteers, made for a perfect event. You should all be proud of the amazing school that you are a part of!!! We had a total of 86 families who walked to the carnival that night!! We also collected 7 bags of compost, 3 bags of recycling and only one bag of garbage! Amazing!!

A personal thank you to my entourage; Hilary Epting, Cindy Polack, Susan Rehm, Julissa Black, Michelle Vondenkamp, Judith Yan, Margaret Zwetschke and the Green Team from New Seasons Market. I couldn't have done it without you.

I'm doing it again next year, (my last year) and I'm looking for a co-chair. Please get a hold of me if you'd like to get involved. It's a very exciting and rewarding experience.

Stephanie Langley-Williams

The last can/bottle recycling event  
of the year will be

***Wednesday, June 2nd from 8:00am-8:45am.***

Thanks for all the cans and bottles  
this year!!!!

## School Supply Kits

It's time to order your school supplies for the 2010-11 school year. The order forms will be coming home with your child this week. Each teacher has reviewed and made changes to the lists. Please keep in mind there still may be some minor changes or additions to these kits. This is not a fundraiser. It is a service to our parents. To insure the kits arrive in time for next year the order forms need to be returned, with payment, by Monday, June 7, 2010. They will be delivered to your child's classroom in the fall. Please contact Stacy Namdar 503-590-6558 for questions.

**To help reduce waste we are in the process of acquiring reusable forks and spoons to use during school breakfast and lunch. If you have any unused or old silverware (forks and spoons only) that you are willing to donate, we are accepting donations in the office. Thank you!**
