Meal Account Balances

Effective 10/31/11, students will no longer receive reminders to have their parents send money if their meal account balances are negative. Instead the district will rely only on the automated voicemails and/or e-mails sent to parents to notify them when their student's meal account is negative. Parents can always register for a "MealPay Plus" account, from which they can monitor their student's meal account for free. Instructions on how to register for a MealPay Plus account are on-line at

Beaverton Eco-School Network Informational Meeting

Tuesday, November 15

7:00 to 8:30 p.m.

Ridgewood Elementary School Library

10100 SW Inglewood St, Portland, OR 97225

The desire for a Beaverton Eco-School Network is emerging. Two or three interested parents and teachers from each Beaverton school are invited to attend the informational meeting on November 15 and contribute their thoughts. The meeting will be of great interest to any parent or teacher who would like to help introduce or enhance sustainability initiatives at school.

The Beaverton Eco-School Network idea is supported by the Center for Earth Leadership, which assisted in the formation of similar networks of parents in Portland and Lake Oswego school districts.

At the meeting, parents from Ridgewood, currently involved in the Portland Eco-School Network, will share their experience and why they would like to see a similar support system in Beaverton. Jeanne Roy, Co-Director of the Center for Earth Leadership, and Emily Klavins, Program Coordinator, will describe their experience with the Portland Eco-School Network and lead a discussion on how the program might benefit Beaverton schools. RSVPs requested to Emily Klavins at 503-227-2315 or emily@earthleaders.org, or if you cannot attend but would like information please contact Emily.

Dough for Dollars!!

It is that time again! The Murray Hill Dough for Dollars Pizzicato fundraiser is on Tuesday, November 8^h.

Twenty percent of all the sales on that day go to Sexton Mountain Elementary. The restaurant is open from 11:30 – 9:00 pm, so bring your family, friends and enjoy some great pizza and help out Sexton Mountain at the same time, or if you choose to order a pizza for delivery call the restaurant at 503-579-4889 and a portion of the money will also go to Sexton Mountain.. Hope to see you there!!!

If there are parents who work for a company that would like to cater food for the day, please call the catering department at least 24 hours prior to the fundraiser at 503-274-8855 and let them know your son or daughter goes to Sexton Mountain Elementary. A portion of the sales will go to the school. There is a \$50.00 minimum on catering orders and a 10% delivery fee as well. If anyone decides to do catering it is not necessary that you order from the Murray Hill Pizzicato location just as long as you mention that your child attends Sexton Mountain Elementary and it is for a Dough for Dollars fundraiser.

Again thank you for your support and I hope to see you there.

In support of the schools goal to use less paper, we will no longer be sending home paper copies of the Tuesday Newsday and Principal's Newsletter as of November 1st. You can find them posted on our PTC website at www.sextonmountainptc.org each week and/or you can sign up to have Mrs. CB email them to you. If you do not have internet access, please let your teacher know. Thank you for understating while we transition to paperless!

Valley Cinema Fundraiser

Thank you parents for all your support with our Valley Cinema fundraiser. We raised \$504 for our school PTC, by simply purchasing the fun fall ticket packages. Enjoy all your fall movies, and look for another package in the spring.
